\$35-CONTINENTAL BICYCLES-\$35
Continental Bicycles are bicycle perfection. They are not an experiment—their durability and general excellence have been proven by the experience of thousands to whom we have sold them.

THE TOY STORE
A veritable Fairyland for the children—of great interest to the older folk. All the newest mechanical toys, dolls, dolls' houses, games, children's furniture and everything in the line of toys to gladden childish hearts.

ORIENTAL RUGS
A great stock of rugs worthy of the best attention of connoisseurs and housekeepers. They have been carefully collected by experts. Among them are rare pieces—Antiques worth from \$50 to \$750.

THE SHOWER OF ROSES
Thirty-four years ago Mr. A. T. Stewart built this store. Its central point is the Rotunda, and for graceful beauty it stands unrivalled to-day by any interior feature in any retail store.

SEWING MACHINES
There is goodness in the Wanamaker Sewing Machine, and economy in buying it. It unites the best points of other makes and has more up-to-date improvements than any other sewing machine on the market.

BOOK NEWS
Librarians know and appreciate Book News. So do authors. Book News is a monthly periodical that is strictly limited to the news of books. We do not permit our own miscellaneous store news to enter its advertising columns.

WOMEN'S SHOES
Our shoe man believes in a combination for durability, comfort and looks. This, together with little prices, accounts for the popularity of our Shoe Store.
